

and Portuguese, and the secretary of the West Virginia Foreign Language Teachers' Association.

When she was a student at Elkins High School, Devine studied Spanish with Brad Martin, longtime language teacher at EHS.

"I learned a great deal from Mr. Martin as his student, and as I started my professional career I became increasingly aware of how phenomenal of a teacher and role model he is," Devine said. "(Martin) has inspired other language teachers around the area and has multiple former students currently teaching world languages."

She also noted 20 years ago Martin was awarded the teacher of the year award by the West Virginia Foreign Language Teachers Association.

In March, Devine will travel to Atlanta for the Southern Conference on Language Teaching to represent the Mountain State as teacher of the year and compete for the regional title.

"I'll also attend workshops to learn things that will help to improve our profession that I can bring back and share with West Virginia students as well as my peers and colleagues," Devine said.

While she said she does not currently have plans to teach any additional languages, she hopes to learn more, possibly Italian and Portuguese.

"We live and teach in an interconnected world where learning languages is a key to unlocking opportunities," Devine said. "It is our duty as language teachers to help our students build confidence and skills that they can use to explore the world around them and the global community."

VETERANS TRANSPLANT COVERAGE ACT OF 2017

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mr. JOHNSON of Georgia. Mr. Speaker, I rise to support H.R. 1133, the Veterans Transplant Coverage Act. This legislation enables the Department of Veterans Affairs (VA) to provide organ transplants for veterans, even if the live donor is a non-veteran, at the facility of their choice. Current law restricts coverage for veterans receiving an organ donation from a non-veteran. This policy means that children, siblings, and other non-veteran family members that are matches and willing to donate are not eligible to receive VA care for the operation.

The Veterans Transplant Coverage Act was inspired by the Nelson family from Texas. When veteran Charles Nelson needed a kidney transplant, his son, Austin, was a match. When it came time for the operation, the VA healthcare system denied the Nelsons coverage because Austin was a non-veteran. The VA's decision forced the Nelsons to solicit donations to ensure that Charles could still have this lifesaving transplant surgery. The Veterans Transplant Coverage Act will ensure that no other American hero is denied transplant coverage ever again.

The restrictions set forth by our current law have life or death consequences for the men and women that have bravely served our nation. I fully support H.R. 1133 to allow the VA to provide organ transplants for veterans when the living donor is a non-veteran.

After the Department of Homeland Security was created in the wake of the September 11th attacks, Sgt. Maginn joined the Department as a Hazmat Tech Officer, an integral part of the Special Response Team.

NATIONAL VETERANS MEMORIAL AND MUSEUM ACT

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 1900, the National Veterans Memorial and Museum Act.

H.R. 1900 seeks to name the Veterans Memorial and Museum in Columbus, Ohio, the National Veterans Memorial and Museum.

The Veterans Memorial and Museum is a landmark that has been under construction in Columbus, Ohio, since December 2015. The Veterans Memorial and Museum will soon be open to the public and aims to display the combined experiences of American veterans from all armed encounters and branches of the military. The National Veterans Memorial and Museum is just one way we can honor veterans and their families, and guarantee that future generations know the many sacrifices that were made for us.

Ohio is an appropriate setting for the new museum, considering that the state is home to the sixth largest veteran population in the United States. As we approach Veterans Day, the passage of the National Veterans Memorial and Museum Act is tremendous news for not only Ohio's veteran community but to all veterans nationwide. I recognize the value of having a national site to reflect on the experiences of veterans throughout American history, and I am pleased to support this legislation.
